SERVICES THIS AFTERNOON OVER REMAINS OF E. B. HAY.

Exercises at Family Home Precede Removal of Body to Church-Floral Tributes.

Impressive funeral services over the remains of Col. Edwin Barrett Hay were held at his late home, 1512 Corcoran street, at 2:30 o'clock this afternoon, under the direction of Washington Lodge, No. 15, of the Order of Elks. Immediately thereafter | 3 the funeral cortege proceeded to St. Paul's Protestant Episcopal Church, 23d street. 3 near Washington circle, where the Episcopal ritualistic services were begun at 3 3 o'clock, the rector, Rev. Dr. Alfred Harding, officiating. The Odd Fellows will take charge of the body when it leaves the church and will hold brief exercises at the grave in Rock Creek cemetery.

Floral tributes almost without number were banked in the Hay home today. All of the numerous organizations to which the deceased was a member and in whose activities he took such a prominent part. vied with one another in their efforts to pay respect to his memory in the manner indicated. Particularly handsome pieces indicated. Particularly handsome pieces were sent by the Gridiron Club, the Masonic bodies, the Odd Fellows and the local lodge of Elks. The Gridiron Club's tribute was in the form of a magnificent bouquet of roses. which was laid on the foot of the casket and was so large as to almost hide it from view. Beautiful floral designs were sent by the other organizations mentioned.

## Singing of Hymns.

Dr. Harding offered prayer at the services in the house. The Gridiron Club quartet sang two touching hymns, and "Face to Face" was sung by Mrs. Thomas C. Noyes. A large number of the members of the Gridiron Club attended the services in a body, as did also the members of the Ma- 3 sonic, Odd Fellows, Elks and other fraternal bodies with which he was identified;

The pallbearers were selected from among the most intimate friends of the deceased and represented various local organizations. Pourth Assistant Postmaster General De Graw served for the Gritiron Club W. J. La Varre, for Beacon Lodge, No. 15. Order of Odd Fellows; D. V. Chisholm, for Order of Odd Fellows; D. V. Chisholm, for the Grand Ledge of Odd Fellows; Alfred P. Holly of New York, representing the Elks; A. A. Birney, representing Pentalpha Lodge of Masons; J. Henry Small, repre-senting the Knights Templar; John M. Mcsenting the Knights Templar; John M. Mc-Kinney and John H. Finney, representing the vestry of St. Pau's Church. Services at Church.

## The program at St. Paul's Church in-

cluded prayer and a eulogy by Dr. Harding, and the singing of "Lead, Kindly Eght" and "Come, Holy Spirit, Heavenly Dove," by the vested choir of the church, of which Col. Hay was the first member many years | 3 ago, when he was a small boy.

Col. Hay had no near relatives, but his wife's were as dear to him as his own would have been. Mrs. B. F. Brown, Mrs. Hay's mother, and Mrs. F. B. Evans, who is Mrs. Hay's sister, came from Frederick, Md., today to attend the services. Miss Mar.an F. Evans and Mr. and Mrs. Albert Brown | 3, were also in the party from Frederick, The condition of Mrs. Hay, who was prostrated by her husband's death, was improved this afternoon.

Telegrams by the hundred and many let-ters and cards of sympathy have been received by the family. Words of sympathy were received from Joseph T. Fanning of New York, an ex-exhalted ruler of the Elks, and from Alfred V. Holly of Jersey City, another prominent Elk, both of whom urced their intention of attending the

# DAMAGE BY TORNADOES.

## One Swept Georgia and Another Visited Montana.

A tornado swept over Tifton, Ga., yesterday afternoon, damaging more than fifty houses. Eight tenement houses were destroyed, two persons were seriously injured, and many others slightly hurt. The Presbyterian Church was wrecked. The damage so far reported amounts to \$30,000. No reports have been received from the outlying country.

At Waycross, Ga., the cyclone caused considerable damage to property in that section, and several persons are reported injured. At Manor the cyclone damaged a number of houses. At Havre, Mont., a tornado caused con-

siderable damage and injured three persons. The wind was accompanied by heavy rain and hall, the hallstones being of enormous size. Almost every window in town was broken, the Great Northern shops and roundhouse especially suffering in this respect. Eight coaches were unroofed and a string of cars was blown off a siding. The roof of the Havre Commercial Company was torn away, and one side of the building caved in. The persons injured were on the strets and were hit by flying debris. It was reported that severe damage was done

in the surrounding country.

At Anaconda, Mont., the tornado caused damage in that section estimated at \$100,000. It is reported that Fort Assiniboine is damaged. The country is a stock-growing region, and the loss is difficult to estimate.

# BOY KIDNAPED FROM SCHOOL. Captor Forged Note to the Victim's

Seven-year-old Freddie Muth, eldest son 3 of Charles Muth, a well-to-do jeweler of Philadelphia, was kidnaped from the Muhlenberg public school yesterday afternoon 3 by an unidentified white man. The police, by order of Supt. Taylor, have sent out a general alarm for the arrest of the kidnaper, and the rescue of the lad. A score of city hall detectives and reserve police under Lieut. Blaney, failed to gain the 3 slightest clew to the whereabouts of either 3 the missing boy or his kidnaper up to mid-

night.
The parents of the missing lad are prostrated with grief. Hundreds of citizens, neighbors of the Muths, are aiding the Police in their search.
Charles Muth, the father, as well as the

police, believe the missing boy to be the victim of a cleverly planned attempt at reference for a cleverly planned attempt at reference for a fewerly plan

Nearly a hundred cases have been taken to the city and other hospitals in the last two days. June last year there were only forty cases. This year's report shows that from June 1 to 12 there have already been 261 cases. The large increase in the last two days is laid to the low water in the reservoirs, and the fact that most of the city water is being pumped direct from the river water is being pumped direct from the river into the mains.

Ion by Mr. Justice McComas today dismissed the appeals taken by Mr. Frank S. Gannon of New York from the decisions of the District Supreme Court, refusing to grant a mandamus against the president and directors of Georgetown College to compel the reinstatement of his son, Edward Gannon, as a member of the freshman class of the college.

# 200 Dozen Mendel's Wrappers, 70C. Worth Up to \$2 and \$2.50, for - -

Tomorrow we place on sale the biggest purchase of Wrappers ever made in Washington-and the most important. Two hundred dozen of the celebrated Mendel's make Wrappers, worth up to two dollars and two dollars and a half, were secured to

sell at one-half to one-third their regular prices.

This big fot consists of the factory surplus and seconds of the famous "Mendel's make" Wrappers and House Garments. The word "second" in this case does not mean that they are damaged. The

faults are nothing more serious than a tiny oil spot dropped from the machinery, a dropped stitch, uneven hem or other trifling imperfection. Most makers would call them perfect—but the standard of excellence in all Mendel's make garments is so high that these are classed as "seconds

The lot embraces White India Linons, sheer Figured Lawns, Percales, in light and dark grounds, and French Lawns; in scores upon scores of styles—each one prettler than the other. The White Lawns are made

with tailor-made tucked yokes and em-broidery and lace-trimmed collars. Others are made with round collars of colored embroidery; some are made with handkerchief sailor collar effect, and finished with satin ribbons.

There are any number of dainty colored Lawns, with beautiful designs of pink or light blue. Trimmed with turn-over collar of embroidery and tuck-
